**iPS | NAUTECH**  
SERVICES

**We are a transparent agency with a no-nonsense mentality; we say what we do and are available 24/7 for our candidates and clients. Due to our global presence, we can conduct business at the local level and maintain complete transparency in compliance. We conduct business according to the rules and possess various quality certificates, including ISO, MLC, and OHSAS.**

## Candidates: What can we do for you?

### **24/7 available:**

Whenever you have a question or want to get in contact, we are available at any time to assist you.

### **Enrich your horizon:**

We are hiring for the biggest companies and projects in the seismic, survey, ROV and environmental sectors.

### **Salaries paid on time:**

We have never been late paying a salary in over 35 years of business.

## Clients: What can we do for you?

### **Small team, global reach:**

Our Large international network that we have built over the years means that we can place candidates and pay them throughout the world, in most cases on local terms.

### **Extended knowledge of the industry globally:**

We stay on top of new developments in the industry and within local authorities. This gives us the flexibility to act and react to changes.

### **Total package:**

From finding, training and drawing up the contract, to travel, visa and placement; we can provide whatever you need.

### **Flexibility in New Partnerships:**

We strive to establish trustworthy partnerships globally, in order to successfully carry out international projects in new regions.

# We take care of your cross-border payroll

Although working with counterparts from diverse cultural backgrounds can be valuable, there are always complex issues that accompany this. Staffing in general and managing your payroll in particular is our specialty, all in relation to crossborder employment: since 1988.

With the payroll services of iPS | Nautech you:

- Get relief from the administrative burden of your payroll;
- Are fully compliant with relevant law and regulations;
- You are on top of fiscal opportunities;
- Can lower your payroll cost significantly.
